GENERAL NOTES

All dimensions on the drawings must be verified against the existing site conditions before the commencement of any work.

The vertical dimensions of brickwork are based on multiple centre lines of 85mm and the contractor must set out brickwork accordingly.

The contractor is responsible for site inspections by the building inspectors of the local authorities.

Except where otherwise indicated all given levels are unfinished levels.

The copyright of this drawing vests in the architect unless otherwise indicated.

ALL CONSTRUCTION AND BUILDING METHODS TO COMPLY WITH THE NATIONAL BUILDING REGULATIONS CODE SABS 0400.
