

CENTRAL BANK OF LESOTHO

A WORD OF THANKS TO THE PRIVATE ENTERPRISES IN THE COUNTRY

The Central Bank of Lesotho (CBL) in collaboration with the Bureau of Statistics (BOS) and the Lesotho National Development Corporation (LNDC) wishes to convey words of gratitude and appreciation to all the enterprises in the country which participated in the first survey of Private Capital Flows (PCF) conducted in 2006. Preparations by the CBL are underway to host a workshop before the end of the year, whereby the findings of the survey will be presented and discussed. These findings are going to be used to inform policy in the country.

The continuous cooperation of these enterprises is highly appreciated and anticipated as the CBL, BOS and LNDC will be engaging in the second phase of the PCF surveys commencing in October 2007.
