

QUESTION	RESPONSE
Can you kindly advise on what is meant by “Evidence of professional affiliation or governance intuition registration?”	<p>The statement must read as “Evidence of professional affiliation or governance and institution registration.”</p> <p>This means the proof of professional affiliation in the field, discipline and industry or registration with institutions providing guidance and quality assurance in the field, discipline or industry.</p>
Please clarify on the estimated duration of the assignment so that we align our costs accordingly	<p>The expectation is that the consultant(s)/ expert(s) know the perimeters to use on extreme winds and floods assessment therefore they can determine the duration. To understand the scope so that one can determine duration please go to google and search the Central Bank of Lesotho, this will provide the pictures of the buildings.</p>
